

CREATE YOUR OWN **FACTopia!** TRAIL OF FACTS

Tip
Check out the *FACTopia!* books for inspiration.

Follow these instructions to make a fun trail of facts, where every fact is linked to the next!

Check out the last fact in the trail

Find the highlighted word, or (if there isn't one) highlight your own

Find a fact about that word and write it on the *FACTopia!* Trail of Facts template (or on a spare piece of paper)

Choose the word you'd like the next person to find a fun fact about

Come back later to check out the rest of the trail!

Ask your teacher/librarian to pin up your fact
